It is also unparalleled that a restaurant of Chutney Mary's vintage has received this award.

“Chutney Mary is one of London's finest restaurants and a class act. It combines a wonderful stylish location and interiors, accomplished cooking, and delivering exceptional dishes with fantastic hospitality and service. Such a great restaurant, loved by so many, is so deserving to be our AA Restaurant of the Year for London.”

The background features a warm, reddish-orange wall with a repeating pattern of intricate, golden-brown lace or damask designs. Five hanging lanterns are suspended from the top, each with a brass-colored frame and a glowing, textured glass globe. The lanterns are arranged in a staggered pattern: one on the left, one in the center, one on the right, one lower on the left, and one lower on the right.
